

Brrrrrrrr! I think I spoke a little too soon in the last Newsletter. The weather has turned cold so please make sure you warm up properly before all your games.

"Netball Nutters"

Sofia P,
Seals

Ruby D,
Pippies

Well done Sofia and Ruby!! Keep those entries coming for a chance to win a prize!

It really must be the 'sea air' on the Peninsula, as the amazing talent at BWNC continues. Earlier this year Eels player **Scarlett C** was named Junior Girls Champion at Umina Surf Club 2013-2014 and top point score for under 9 girls 2013-2014. Her Mum and Dad are almost 'bursting' with pride of her achievement—congratulations and well done Scarlett!!

Upcoming Events

**** A Wine Tasting Fundraising Evening with a unique twist..Friday 8th August 6.30 to 9.00pm ****

Bring your wine loving friends & your wallet! Join our generous hostess Virginia Fernlund at "The Birdcage on the Peninsula" 272 West St, Umina.

The Evening will provide an opportunity to sample & purchase Boutique organic wines from the Hunter Valley. \$50.00 from every dozen bottles sold will go to our club. In addition, 20% from the sale of any fashion accessories or artwork purchases from The Birdcage on the evening will be donated to our Club. There will be an Art-work Auction with 50% of the final bid price donated to our BWNC fundraiser.

Please take part in this novel approach to generate funds for our club! Attendance is **limited** to the first 60 people to purchase a ticket for \$10.00. Delicious Cheese & Antipasto platters provided.

For further information on the Vineyard visit www.tamburlaine.com.au

1974 trivia.... The average income was \$13,900. Rent was \$182 per month. IRA begins its bombing campaign in England. Cyclone Tracey hits Darwin. Pocket calculators start to appear in stores. The Six Million Dollar Man / The Waltons. Our Prime Minister was Gough Whitlam. Texas chainsaw Massacre first released. The Jackson 5 make their debut. President Nixon resigns due to Watergate. Liposuction was invented in Italy.

Celebrating 40 Years

1974 to 2014

**** Netball is a GAME ** Players are CHILDREN ****

**** The Coaches are VOLUNTEERS ** The Umpires are HUMAN ****

'Court' (Caught) you out!

Seals Sofia and her Dad Greg, together with another Seals Dad Jay, were the very deserving recipients of 'Court You Out'. They pretty much single handedly set up the courts on a miserable drizzly rainy, freezing cold day, without one complaint. Will, whose big sister plays in the **Seals** team, was also 'Court Out' picking up rubbish around the courts without being asked, and Cleo from **Umina** was 'court out' helping sweep water off the courts. Well done and *thank you* all. Enjoy your Awards. We are constantly on the lookout, so if you see someone you feel deserves this Award—please let us know.

Games/Teams in Review

Our **Seahorses** are showing great improvement in their netball game. The most important attribute of this team is their smiles and enjoyment they get out of each game. What a delightful little team of girls.

The **Eels** Coach Leanne, Asst. Coach Taylor & Manager Jane have been busy welcoming 4 new players from another Club, into their team. Welcome Scarlett, Jorji, Elyse and Piper. They are showing everyone they are a formidable group of netballers. Go the Eels!!!!

The **Barracudas** are up against some really tough competition in Junior 2 and are playing well as a team with 5 new players. Despite no wins yet this season they train hard, play with all they've got, and never give up. They are an example of courage and sportsmanship and we are **very proud** of them. They will only get stronger as they develop as a team and we're sure a win is just around the corner! The Barracudas never say never!!!!!!

Has this ever happened before????

BWNC Barracudas Vs BWNC Mantas

Sister Hannah Vs Sister Molly!

Special Mention and a HUGE **Thank you** to the Carey, Huber and O'Neill families who used their fabulous sales & marketing skills in selling our Fundraising Chocolates.

Congratulations to Josephine, Ava, Aspen, Rose, Maddie and Kiara for taking on the daunting task of becoming a Junior Umpire. There is an enormous amount to learn and it can be very nerve wracking trying to make the right calls in a fast paced game like Netball. The girls are progressing very well with their umpiring skills, so look out for them at the courts and give them all a 'thumbs-up' for encouragement.

BWNC are always looking for new umpires. If you are interested, and turning 12 in 2015, please let your Coach/Manager know.

Something I know we all look forward to Housekeeping

Canteen Duty. Please be advised that it is a WWPNA (Woy Woy Peninsula Netball Association) requirement that every Team is rostered on throughout the season to assist in the Canteen for a period of 1 hour. This can be divided up between 4 people assisting for 15mins each. It is usually 2 times during the Season. Your Manager will be able to advise you which week your Team is Rostered on. If your Team fails to assist in the Canteen on the day it is Rostered WWPNA will fine the Club and Team involved. PLEASE take your turn and spread the load as 'many hands make light work'. Your Coach should be able to organise it so your child is sitting off during the time you are in the Canteen. For further information please contact your Coach/Manager.

Umpire Fees & Fundraising Chocolates. These are now overdue. Please contact/see Melissa Rologas 0419 284 736 ASAP with your payments/unsold chocolates or hand to any BWNC Committee Member ASAP.

Junior Umpires. Please remember that these young girls are **learning**. Please show them respect, positive encouragement and praise. Under NO circumstances will abuse or intimidation of **any** Umpires by players/spectators will BE TOLERATED by BWNC.
